

ALL TEXAS JAGUAR CLUB SPRING FLING 2010

The event will be held April 9, 10, and 11.
In and around Wimberley, Texas
Arranged this year by the San Antonio Jaguar Club

It will soon be Spring, and this winter's rain in these parts assures a great wildflower season. This year's Spring Fling will include a tour, and possibly a rally, between various Hill Country wineries that will include a lunch stop at one of the more notable ones. Paul Stone of SAJC has organized very successful Winery Tours for us every spring for the last two years, and is developing the route for this event at this writing. A Friday evening barbecue

First order of business is to get everyone to start making their accommodation reservations before everything fills up for the wildflower season. Several Get Away accommodations are available in and around Wimberley, and most have websites to provide more information about what they offer. Please book as soon as you decide to go - these inns do NOT hold rooms for groups - "first come, first served." The Wimberley Valley does not have any hotels or motels, unless you want to stay in San Marcos, about 16 miles to the east. To learn more about Wimberley www.visitwimberley.com

These accommodations are in town or on the south side of the Town of Wimberley and within about 10-15 minutes of each other.
